

# PLANNING FOR THE FUTURE

## Take Ownership of Your Finances

August 2019

### SUPPORT FOR EVERYDAY ISSUES. EVERY DAY.

It's easy to envision the future you want, but harder to create a plan to achieve it. Begin planning your future today to make the necessary changes to achieve your goals. SupportLinc can help you create a budget, guide you in building better credit as well as find information about retirement and buying a home.

This program provides confidential counseling, resources and referrals to support the financial future you deserve.

### WEBINAR

Effective Budgeting  
Available on August 20

This session will guide you through the process of tracking your spending so that you can learn how to manage your debt and develop a budgeting plan.
