

MUTUAL RESPECT

Building Trust in the Workplace

March 2020

SUPPORT FOR EVERYDAY ISSUES. EVERY DAY.

The workplace environment has a significant effect on individuals' contribution as well as on the company's overall productivity. Employees are more likely to thrive in an environment where positive, respectful communication is a part of its culture.

This program provides confidential counseling, resources and referrals to help promote civility and respect.

WEBINAR

Dealing with Difficult People:
Managing Workplace Dynamics
Available March 1. Located in the Monthly Feature Tile.

Most of us have come across difficult people, whether at work or in our personal life. Discover tips to help you navigate difficult situations with patience and poise.
