

Template for Parish Pastoral Plan

FOR USE ONLY BY PASTOR and PARISH COUNCIL

Discern two to four activities which address all three of the priority areas: stewardship, co-responsibility, parishes as centers of charity and mercy. One activity can pertain to more than one priority and all priorities must be addressed. This plan should cover three years, with the understanding the parish council and pastor will be reviewing progress on a regular basis. Please submit your plan using the online form at <https://diojeffcity.org/better-together-parish-pastoral-plan/>. The form is password-protected – contact your pastor or LeAnn Korsmeyer at lkorsmeyer@diojeffcity.org for the password or further details.
