

Hi Folks,

There have been a few questions about the CDC hotspot map. As I said in the email, the link to the map will be included in the COVID Communication protocol sheet - which does NOT go into effect until its distribution, and has not been sent out yet. However, if you want to check out the map, here it is: <https://www.cdc.gov/covid-data-tracker/index.html#cases>

Also:

New teacher meeting: The New Teacher Orientation Day will be August 3rd at the Pastoral Center and we will probably start around 9am - the agendas will be out soon. Depending on our situation, we may offer it online as well. There is a section for “Meeting Registrations” on the right hand side of the Principals Page. Please go there to register your new teachers, no later than July 22nd, so that we may know how many people to expect.

If you have any trouble with any of the forms or Google docs please let me know.

Blessings,

Dr. Erin Vader
