

Happy Tuesday!

I hope you all had a safe and fun Fourth of July! The next few weeks will surely see an uptick in information. Please don't hesitate to contact me if you have concerns, questions or suggestions.

**New teacher meeting:** As mentioned in last week's email, we need to change the date of the New Teacher Orientation Day – it will now be August 3<sup>rd</sup>. Same time and place.

**COVID-19 Communication Protocol:** A protocol has been drafted and will be sent very soon. Please note: we are requiring staff members who travel to CDC designated hotspots to self-quarantine for 14 days upon their return. Details are included in the protocol. This will go into effect upon distribution of the protocol.

**Surveillance Cameras:** Now on the Principals' Page: FAQs regarding school surveillance cameras. If you have cameras in your school, please take a minute to read them.

**FACTS training** – we will be holding FACTS training on August 31<sup>st</sup> and September 1<sup>st</sup> place TBD. The general idea will be August 31<sup>st</sup> for first-year implementers, and anyone new to FACTS. The second day will be for all those entering their second year of FACTS implementation and addressing more specific requests. Users may attend both. We will ask you for a list of who plans to attend in person or online the closer we get to training. Right now, I need information regarding what you would like to learn about during the training. To that end, I have created a Google document for suggested topics for training. Please take a minute to add your thoughts.

**Sign up for a superintendent visit:** I have created a Google Doc for everyone to sign up for an 'official' visit. I am hopeful I will make it to all the schools at least a couple of times, but this way will ensure at least one visit. I will confirm before the visit, and I will let your pastor know I am coming in case he needs to meet about anything, too. Thank you for setting up a time! <https://docs.google.com/document/d/1cLE43IeOaqUXuVILIYTtYwSjyhlsGqokWjR7czCKINE/edit>

**Principal committees:** Thank you to everyone who has signed up for a committee! The doc is still up if you want to join! <https://docs.google.com/document/d/1K-k-gDpVQu5m04QP8z4Fuq4bBBxG-3W22fTQCvqU-90/edit>

**Online teaching article:** Just thought I would share this podcast/article: *Nine Ways Online Teaching Should be Different from Face-to-Face*. <https://www.cultofpedagogy.com/9-ways-online-teaching/> since we may be dealing with online learning for a while to come...

Thank you all for your continued hard work and positive attitudes. Please let me know how I can help.

Blessings,
