

HEALTHY WAYS TO COPE

Avoiding Addiction During Challenging Times

July 2020

SUPPORT FOR EVERYDAY ISSUES. EVERY DAY.

During stressful times, turning to unhealthy coping mechanisms such as alcohol and other substances may lead to overuse and even addiction. Substance abuse affects your performance and relationships at work and home.

Your program provides confidential counseling, resources and referrals to give you tools to stay healthy and substance-free.

WEBINAR

Avoiding Addiction
Available July 1, 2020
Located in the Monthly Feature Tile

Learn healthy coping strategies for managing negative emotions and avoiding addiction during periods of increased stress.
