Because taking good care of your eyes can help you take better care of your body.

Regular visits to your eye care professional do more than just protect your eyesight. They can help protect your overall health. Through a routine exam, eye doctors can spot serious health problems like diabetes, high blood pressure, heart disease, certain cancers and other conditions.¹

That’s why, even if you have perfect vision, yearly exams are important. Don’t let preventable health and vision problems sneak up on you. Vision benefits are there to help you stay on top of your care.

**Consider this:**

*I never miss my daughters’ games and I chaperone all their dances. One night as I drove them to the Homecoming dance, I noticed they weren’t wearing their glasses. I’m happy my vision insurance helps my girls feel less self-conscious — and provides a deep discount for contact lenses. Recently, when I had my own eye exam, my doctor caught the early signs of diabetes. Thanks to our vision coverage, I can be there to see my daughters play every game.*

**Why should I enroll?**

3. Your actual savings from enrolling in the MetLife Vision Plan will depend on various factors, including plan premiums, number of visits to an eye care professional by your family per year and the cost of services and materials received. Be sure to review the Schedule of Benefits for your plan’s specific benefits and other important details.
5. Custom LASIK coverage only available using wavefront technology with the microkeratome surgical device. Other LASIK procedures may be performed at an additional cost to the member. Additional savings on laser vision care is only available at participating locations.
6. All lens enhancements are available at participating private practices. Maximum copays and pricing are subject to change without notice. Please check with your provider for details and copays applicable to your lens choice. Please contact your local Costco to confirm the availability of lens enhancements and pricing prior to receiving services. Additional discounts may not be available in certain states.
7. Comparison is based on national averages and most commonly purchased brands.
8. Based on employee-only rate for M130-10/25 standard plan design with employees nationwide.
