When we are notified by an ecclesiastical superior that a cleric or religious, who at one time served in our diocese, has been found credibly accused of sexual abuse of a minor outside our diocese, the Bishop of Jefferson City informs the parishes where the credibly accused cleric or religious served and invites anyone with further information to contact the Victim Assistance Coordinator. In such a situation, since the report of abuse reportedly occurred outside of the Diocese of Jefferson City, the name of the credibly accused cleric or religious does not appear on our list.
